### PROFILE

Art and Design graduate with three-year studying experience in Huanghuai University, Henan Province, P.R. China. Graphic Design & Illustration graduate with two-year studying experience in the UK and now taking Graphic Design course in Coventry University.

- Adaptable: with the oversea studying, I found I can adapt new environment and accept different culture, different region, and get along with each other well quickly and have the ability to deal with personnel at all levels effectively
- Optimistic: I never can be beat down with difficulties; I'm always optimistic facing with everything and everyone, easily to communicate with people and get the trust from them hopefully.
- Supportive: because of optimism, I always can get many supporters easily: what I am saying, what I do, can let people agree with me and get their support.
- Reliable: with the character above, it is obvious that I'm reliable.
