skills

- Visual recording in art and design.
- Materials, techniques and processes in art and design.
- Drawing from observation.
- Mixed media image making,
- Generating fine art ideas.
- Photoshop experience.
- Photography experience.
- Superb eye for detail.
- Complex problem solving.
- Excellent communication skills.

I spent most of my childhood in the UK in Birmingham and started becoming more interested in Art especially painting when starting secondary school. It was when I went to Zimbabwe to finish the rest of his secondary education that I became more dedicated to Art. After moving back to the UK to pursue my Art further, I then decided to get into comic book making. When I began Art and Design in college. I decided to work towards becoming an illustrator.
